Customer Reviews/Testimonials

Oluwafeyikemi Oduntan _____

Best Training Institute in UAE for Nursing Assistant Training CNA. The experience has been great! Tutors are just so knowledgeable and calm. I appreciate all the staff and admins of the institute. Keep up the good work. God bless you all.

Rachael Chuks _____

Quite frankly, before starting my CNA training I did research on different institutions and I was lucky to graduate from STRONG POINT TRAINING INSTITUTE, the BEST training institution in Dubai. Everyone is so welcoming, accommodating and encourages you to do better. My most memorable experience is the great tutor. I enjoyed every bit of her class with great teaching skills which gave me so much comprehension in PASSING MY AMCA EXAMS.

Jeny Amaka _____

I am really happy I did my CNA course in Strong Point Educational And Training Institute. I had other options but what attracted me to them was the way they were detailed. If you are in UAE Strong Point Educational And Training Institute should be your choice.

Oweibo Oghenetega _____

A positive and serene learning environment with friendly and down to earth staff who are always willing to assist. I strongly recommend Strong point Educational Institute.

Jaise Simon _____

Every course is handled very professionally and classes are taught by teachers with good academic background and field experience. Thank you very much to the whole Strong Point Team

About Us

We have been in the training sector in UAE for the last 5 years. The major training programs we were involved in are Certified Nursing Assistant training and exam preparation, Caregiver Professional, Medical Coding CPC training from AAPC, CPHQ Certified Professional from Healthcare Quality Training, CFPS Certified Fire Protection Specialist, IELTS, OET, Spoken Arabic, Spoken English and many more.

Experience of working in the Training sector has enabled us to take this step to set up the training institute and maintain high standards of teaching and education levels. We aim to implement a few skills such as Adaptability, Dedication, Communication, Creativity, Enthusiasm, Management, and Knowledge. Being from the same industry does benefit us to know the quality and standards of training that we need to deliver.
